IRISH LAND COMMISSIONERS

FOR

**THE PERIOD FROM THE 1st OF APRIL, 1914, TO THE 31st OF
MARCH, 1915.**

TO HIS EXCELLENCY IVOR CHURCHILL, BARON WIMBORNE,
LORD LIEUTENANT-GENERAL AND GENERAL GOVERNOR OF IRELAND.

We, the Irish Land Commissioners, beg to submit to your Excellency this Report of our proceedings during the period from the 1st April, 1914, to the 31st March, 1915.

JUDICIAL RENTS.

The staff for the working of the Sub-Commissions consisted of two Legal Assistant Commissioners with ten Lay Assistant Commissioners for nine months and eight Lay Assistant Commissioners for three months.

The number of Originating Notices to fix Fair Rents disposed of, during the period stated, by the Commissioners as a Court of first instance, principally on consent, was 64; by the Sub-Commissions, 2,965, making for the Land Commission a total of 2,129; and by the Civil Bill Courts, as appears by returns furnished by the Clerks of the Peace, 126. These figures are divided as follows:—

For a First Statutory Term.—By the Commissioners, 31; by the Sub-Commissions, 414, total Land Commission, 445; by the Civil Bill Courts, 43, making a total of 488 cases in all.

For a Second Statutory Term.—By the Commissioners, 12; by the Sub-Commissions, 613, total Land Commission, 625; and by the Civil Bill Courts, 37, making a total of 662 cases in all.

Thus, during the year, the entire number of Fair Rent Notices so disposed of was 2,255.

The entire number of such applications disposed of both by Land Commission and Civil Bill Courts from the date of the passing of the Land Law (Ireland) Act, 1881, to the 31st March, 1915, was as follows:—For a first statutory term, 296,164; for a second statutory term, 112,456; and for a third statutory term 3,788; total, 412,408.

1,128 direct applications were made to the Land Commission to fix Fair Rents since 1st April, 1914, of which 272 were for a first statutory term, 370 were for a second statutory term, and 486 were for a third statutory term. In the same period 216 applications were made to the Civil Bill Courts, of which 65 were transferred to the Land Commission. Of the 216 applications so made to the Civil Bill Courts there were 84 first statutory term applications, 57 second statutory term, and 75 applications were made for a third statutory term; of these 28 first term, 11 second term and 26 third term applications were transferred to the Land Commission in the year. There were no judicial rents fixed during the year by the Land Commission on the reports of Court Valuers for a first statutory term. There was a total of 2,345 of such cases in which judicial rents were so fixed up to the 31st of March, 1915; judicial rents were fixed in 3 cases for a second statutory term, making a total of 1,396 of such cases for a second statutory term up to the 31st of March, 1915, and judicial rents were similarly fixed in 3 cases for a third statutory term making a total of 7 of such cases for a third statutory term up to the 31st March, 1915. These figures include cases where the proceedings to fix rents on the reports of Court Valuers were taken under our Rules of the 9th November, 1898.

Originating agreements and declarations for a first statutory term have during the year been lodged under the provisions of the 8th section of the Land Law (Ireland) Act, 1881, in 146 cases in the Land Commission, and 3 agreements in the Civil Bill Courts.

The total number of such agreements to fix fair rents for a first statutory term lodged, since the passing of the Act of 1881, up to the 31st March, 1915, was 160,538.

During the year 153 originating agreements and declarations for a second statutory term were lodged in the Land Commission, and 2 in the Civil Bill Courts.

During the year 74 agreements between landlords and tenants under the 17th section of the Land Law (Ireland) Act, 1896, were lodged in the Land Commission, making a total, with those lodged previously, of 6,935.

One judicial lease was executed in the year, the total number of such leases executed since 1881 has been 168, and the number of fixed tenancies sanctioned 50.

For many years there have not been any proceedings taken under the 40th Section of the Land Law (Ireland) Act of 1881 to nominate arbitrators to fix the amount of the judicial rent. Since 1881 judicial rents have been fixed by this method in only 40 cases.

During the year the number of leaseholders who applied under the provisions of the Land Law (Ireland) Act, 1887, direct to the Land Commission was 13, and to the Civil Bill Courts 2; there were 14 applications made to the latter Court during the same period to fix judicial rents in cases where ejectments were pending pursuant to the provisions of sec. 6 of the Act referred to. There were 6 applications under the Redemption of Rents (Ireland) Act, 1891, which during the year fell to be dealt with under the Land Law Act.

The total number of fair rent applications from leaseholders and grantees who have applied under the provisions of the Act of 1887, and under the Redemption of Rents (Ireland) Act, 1891, up to the 31st March, 1915, is 37,330, and of these applications 36,966 have been disposed of.

Since the 65th Section of the Irish Land Act of 1909 came into operation, 526 applications to have fair rents fixed have been received to the 31st March, 1915, from tenants who claim to come within the Section as future tenants, and of these applications 521 have been disposed of up to that date.

The entire number of rents fixed under the Land Law Acts by all the methods enumerated to the 31st March, 1915, where the parties applied to have fair rents fixed for a first statutory term, was 381,298. The total rental dealt with was £7,518,251 and the aggregate judicial rent fixed in respect thereof was £5,963,468, the result being an average reduction of 20·7 per cent. over the entire country. The number of cases struck out, withdrawn, or dismissed was 75,544, but of the latter figure some were disposed of on subsequent applications. The total number of cases disposed of during the period from August, 1881, to 31st March, 1915, was therefore 456,842 for a first statutory term.

The entire number of rents fixed to the 31st March, 1915, for a second statutory term was 142,949. The total rental in these cases for the first statutory term was £2,564,546, and the aggregate judicial rent fixed in respect of the same for a second statutory term was £2,067,993, the result being an average reduction of 19·4 per cent. on first term rents. The number of applications in such cases struck out, withdrawn, or dismissed was 20,822. The total number of second term cases disposed of to 31st March, 1915, was therefore, 163,771.

The entire number of rents fixed to the 31st March, 1915, for a third statutory term was 4,210. The total rental in these cases for the second statutory term was £72,514, and the aggregate judicial rent fixed in respect of the same for a third statutory term was £65,770, the result being an average reduction of 9·3 per cent. on second term rents. APPEALS.

Since the Irish Land Act, 1903, came into operation all Appeals in cases arising out of the Land Law Acts have, in pursuance of Section 88 of that Act, been heard by one Judicial Commissioner, assisted by a Lay Assessor.

878 appeals from the Civil Bill Courts and applications for re-hearings from the decisions of the Sub-Commissioners were heard during the year under review, at 7 sittings held in Dublin and 21 in the country. Sittings were also held in Dublin for the disposal of motions and other court business.

46 appeals were withdrawn, making a total of 924 of such applications disposed of during the year under review.

During the same period 762 appeals were lodged, as against 680 lodged in the previous year.

Notices in the prescribed form were, pursuant to the provisions of Section 23 (1) (b) of the above Act, lodged with the Registering Authority during the year for the purpose of having the titles of the tenant purchasers registered in all cases where the advances in aid of purchase were made in the year.

1,349 copies of Land Certificates, exclusive of copies "written up," were issued in the year free of charge to the Registered owners or their solicitors.

TEMPORALITIES OF LATE ESTABLISHED CHURCH.

Income and Annual liabilities on Church Fund. The property of the late Established Church, which was vested in the Land Commission in 1891, produced during the year a total receipt of £462,026 including £199,425 received for the proceeds of sales of property and the redemption of income. Out of the sums so received, and the balance brought forward from the previous year, payments were made during the year amounting to £180,430 for annual charges on the Church Fund, and £269,845 was invested.

Statement as to Revenue and Expenditure. The normal annual income receivable, including terminable annuities to the amount of £92,494 for the present financial year, together with interest on invested surplus, estimated on the 1st April, 1915, is £254,147. The fixed annual charges on the fund with cost allowed for administration, taken on the same date, amount to £180,489. Thus the normal income receivable in the present financial year is estimated to exceed the expenditure by £73,658, and this balance will be increased by the amount which may be realised by sales of property and redemptions of income. The capital liabilities upon the Church Fund amount at present to £2,800,000, namely, the National School Teachers' Pension Fund, £1,300,000, and the Congested Districts Board, £1,500,000. In addition there are annual charges upon the Church Fund to the amount of £90,000, namely, a perpetual charge of £20,000 per annum for the Irish Universities and a charge of £70,000 per annum in favour of the Department of Agriculture and Technical Instruction. The latter charge was fixed for a period of fifteen years certain from the year 1900, under the Act 62 and 63 Vic., cap 50, sec. 15 (h), and the period has now been extended for a further fifteen years with the approval of the Treasury.

Attention has been called in previous Reports to the present and prospective depreciation of the Church Fund as a result of (1) the compulsory redemptions of Church income owing to sales under the Land Purchase Acts, (2) the cesser of the receipt of terminable annuities, and (3) the reduction of Tithe Rent Charges and Perpetuity Rents as explained below. The operation of each of these causes leads to the depreciation of both the capital value and the income of the Fund, and it is estimated that the income will eventually be insufficient to meet the expenditure if the latter should be continued upon the existing basis. Further particulars respecting the income and expenditure are shown in the Appendix.

Tithe-Rent charge Act, 1900. During the year 6 cases, representing an Annual Income of £20 7s. 10d., were admitted to the benefits of Section 3 of the Tithe Rent Charge (Ireland) Act, 1900, and the reductions amounted to £5 10s. 4d. per annum.

Since the passing of that Act 15,093 cases covering an Annual Revenue of £137,340 were so admitted; the reductions amounted to £32,265 being an average of 23.5 per cent. on the income affected by the Act, and 1,193 cases representing an Annual Income of £4,459 were excluded by Section 8 from the benefits of the Act.

In 3,284 cases covering an Annual Tithe Rentcharge of £17,124, either the Statutory Declarations required had not been received from the Payers, or the queries issued upon their applications had not been discharged up to the 31st March, last.

Declarations have been received in about 8,000 cases from Tithe Annuity Payers in support of their claims under the provisions of Section 1.

As has been stated in previous Reports the Perpetuity Rents payable to the Commissioners which numbered 779, and amounted to £49,626 14s. at the 22nd August, 1884, were reduced under the provisions of Section 90 of the Irish Land Act, 1903, from 1st November, 1903, by the applicable percentage as certified in the *Dublin Gazette* of 26th October, 1900. The reduction amounted altogether to £11,347 15s. 3d., or 22·86 per cent. Section 90 of the Irish Land Act, 1903.

The amount of arrears due to the Fund at the 31st March, 1915, was £23,826 5s. 10d. Arrears. At the corresponding date last year the arrears were £28,998 6s. 10d. 143.

We regret to state that since the date of our last Report the death has occurred of our esteemed colleague, Mr. Stanislaus J. Lynch, whose valuable services to the State extended over an exceptionally long period. In pursuance of section 23 (7) of the Irish Land Act, 1903, the vacancy thus caused in the number of our members has not been filled.
